## TRANSPORTATION – TERRIE BREEN

**Airport & Shuttles:** A number of airports service the Gettysburg area. The two most likely to accommodate you are: Harrisburg International Airport–55 miles or Baltimore Washington-85 mile. If you are traveling with dogs, check to make sure the plane and airport can accommodate the required crate size.

Rental cars may be more economical and convenient than shuttles. Harrisburg International has rental agencies on the 1st floor of the Multi-Modal Transportation Facility, adjacent to the terminal [http://www.flyhia.com/home/parking/car\\_rental](http://www.flyhia.com/home/parking/car_rental)

At Baltimore, all rental agencies are at one facility reached by shuttle from the airport. <http://www.bwiairport.com/en/travel/ground-transportation/trans/carrental>
