Each year, proceeds for the ACA Auction help fund operation of the ACA itself, health research, and assistance for rescue. The auction depends on the generosity of donors who find those unique items that everyone wants.

In the past, we've had baskets of goodies, handcrafts, electronics, Akita magazines, art work, clothing, sculptures, quilts —some things Akita-related, some not. We do require that mechanical or electronic equipment be in working order and batteries, if necessary, be supplied.

All proceeds from non -specified donations will be divided 60/20/20 (General Fund/Health/Rescue). Items or baskets may be designated specifically for Health and/or Rescue. In that case the division of funds will be 60/40 (Designate/General Fund) or 30/30/40 (Designates/General Fund).

This donation form should be completed ahead of time and mailed to Lori Rickard, P.O. Box 888, Bella Vista, Ca 96008-0888.

If you are shipping Items that will arrive by Saturday, Sept. 18 should be sent to: **ACA Auction, c/o 744 Harney Rd, Littlestown, PA 17340-9359.**

Anything sent overnight or two -day delivery to arrive after the start of the national should be sent to **ACA AUCTION, HOLD FOR LORI RICKARD, Eisenhower Hotel, 2634 Emmitsburg Road Gettysburg, PA 17325-7115.** DO NOT mail to hotel if the package will arrive the previous week. It could get mixed in with material for other groups and lost. DO NOT mail if it will arrive after Thursday.
